

## Modified Force Field Analysis Template

Complete the tool by 1.) determining your proposed change; 2.) identifying the opportunities that will support this change (rate the level of strength as strong or weak); 3.) identifying the barriers you anticipate (rate the level of difficulty from high – medium – low).

Level of Strength <i>(Strong, Weak)</i>	Opportunities <i>(Forces for Change)</i>	Proposed Change	Barriers <i>(Forces Resisting Change)</i>	Level of Difficulty <i>(High, Medium, Low)</i>

This template was modified from tools available at MindTools at [www.mindtools.com/](http://www.mindtools.com/).
